CIRI Postpones 2020 Annual Conference

Toronto, Ontario – With the health and safety of CIRI members, speakers, sponsors and conference participants at the forefront of our minds during the COVID-19 global crisis, CIRI has decided to postpone its Annual Conference originally scheduled for June 7-9, 2020 in Calgary.

CIRI is currently working on rescheduling the date of the Conference to the second half of November, with Calgary remaining the host city. The date and location will be communicated once they have been confirmed.

Those registered for the Annual Conference will be able to apply their fees toward the rescheduled Annual Conference. Should they be unable to attend, these fees can be applied to other CIRI National professional development events or membership dues.

CIRI thanks you for your patience and cooperation as it manages through this unprecedented event.
